

The Farm

This term we have been learning about the farm and animals that live on the farm. Do you have any farm storybooks at home that you could try reading or you could read with your grown ups? Do you have a book at home that tells you facts about the farm and farm animals - these books are called non-fiction books as they tell us facts and information.

Challenge Task

Try and find out the names of young/baby farm animals and verbally tell your grown up.

For example find out the young animals names for:

Cow

Sheep

Pig

Horse

Goose

Chicken

Duck

Try and have a go at writing the name on a piece of paper.

Investigation Task

Try and research (maybe using an iPad or computer at home) what vegetables are grown on farms on the Isle of Man.

Maybe you could try setting up a farmers market shop in your house.

Who Am I?

I begin with the sound 'p', I am pink, I have a curly tail and I make the sound oink. Who am I?

I have wool on my body, my young are called lambs, I eat grass. Who am I?

I begin with the sound 'c', I make milk, I am quite big, my young are called calves. Who am I?

I begin with the sound 'h', I lay eggs, I have feathers. Who am I?

Nursery Rhyme

With your grown up try and find and sing the nursery rhyme 'Old MacDonald Had A Farm'.

What noises do the farm animals make?

Miss Longshaw.
